CATHERINE MCAULEY NS

Room 1

Room 1 has had a very busy month, learning our routines, getting to know each other, completing research projects on famous people with dyslexia, and creating kindness poems. We also had great fun adding colour to our classroom by painting the windows.

Reopens Monday 4th Nov

Junior Swimming:
Fri 11th, 18th Oct
Fri 8th & 15th Nov

October is...
National Dyslexia
Awareness Month

Room 2

Room 2 have had a lovely time getting to know each other! We have also been settling in to new routines and getting lots of work done. Show and tell has been a huge success already, with everyone making a really big effort! We went to the park, played lots of games and even got to take part in a local festival, Baggotonia. While we were there we met local Gardai who let us see their tactical van. We have also been learning a lot during Friendship and Anti-Bullying week, designing fabulous posters!!

Room 3

Room 3 learned about the history of Catherine McAuley in class and we finished our lessons today with a wonderful tour of her house built almost 200 years!

Room 4

Room 4 beside statue of Catherine McAuley on our visit to her house. We visited her first classroom, her tomb, and asked loads of questions! We will be back again to see the old bedrooms and the old kitchen!

Room 5

We have had a great month getting to know each other and making real friends in room 5

Room 6

Room 6 are enjoying lots of time in the garden. They are getting to know all the plants and trees. They enjoy playing fun games like Eagle's Nest and Build Up. When it was sunny we ate lunch in the garden. We are all looking forward to collecting apples and making an apple crumble very soon.

Room 7

Room 7 have has a busy first month back to school. We visited the Baggotonia Festival. The class got the opportunity to meet some of the local Gardaí, try on their hats and sit into the new Garda car.

Room 8

Room 8 have had an exciting few weeks in class. We have been working on our Friendship week posters with the Senior children in Room 3. We played games and got to know each other a bit better. This week we also celebrated the birthday of our very special SNA, Suzanne. Last but not least we took our silly class photo! :)

Room 9

Welcome to Room 9! During September we have been busy building new relationships, discussing new boundaries, exploring the universe and class routines, discovering expectations, embracing growth a mind-set, making loads of mistakes and learning to be our personal besties.

It is going to be a great year.....

Special shout out to Christian who did not make out picture.

Room 10

Students in Room 10 are working hard and settling into new routines. This week we had the fun opportunity of teaming up with senior students in Room 4 to create and design posters to promote anti-bullying. It was wonderful to see the amazing designs students came up with to encourage friendship and kindness.

Message from Ms. Sheahan

I have been so impressed with the hard work and effort going on in classrooms over the last four weeks. Students are settling well, and homework routines are now fairly established. If your homework routine is not yet set up: plan to do this with your child at the same time each day and stick to it. A predictable routine is more successful. Our friendship/anti-bullying week has been a real highlight of the month: our poster competition has been a great source of excitement! Our community gardaí will be in to speak to students on Monday about internet safety and cyberbullying - parents are very welcome to attend (seniors 10am to 11am, juniors 11.15 to 12.15). Looking forward to seeing you all next Thursday evening at 7pm in the school hall.
